*"Situations can change; people can change. Be the first to seek to bring good. Do not grow accustomed to evil, but defeat it with good."*

*Pope Francis*

### THE WAY OF JESUS IS PAINFUL

Occasionally the words of Jesus seem to smack us in the face. We shake our heads and move on to something more comforting. Such are the words in today's gospel. Most of us do not want to imagine the possibility of strife and animosity in our family. Nonetheless, Jesus knew that sometimes families are a hindrance for disciples. In his day, family was often the one structure protecting individuals – but at the cost of a patriarchal system demanding conformity and obedience to authoritarian demands...

Choosing the Way of Jesus has never been easy...Jesus ask of us, however is that we focus our attention on the true kingdom...

*Fr. Mark Miller, CSsR – Living with Christ 14 August 2016*
